- Created various graphics for on-set and post production use
- Developed interactive screens, ranging from static to fully functional builds. Previous projects involved platforms such as Canva, Tinder, Instagram, and iPhone apps
- Collaborated with Apple's brand team to ensure designs are in alignment with brand guidelines and standards

## PROFESSIONAL EXPERIENCE

### LEVEL GROUP - BRAND DESIGNER

2021 - 2022, Brooklyn, NY

- Communicated with Creative Director and worked cross-functionally with diverse clientele such as Sotheby's, Green Frontier Capital, Superior Concrete, and DBI Consultants
- Developed brand strategy, visual system and identity, as well as executing various print and digital designs

### FREELANCE DESIGNER

2017 - present, New York, NY

- Specialize in branding, art direction and developing print, social, website, and digital design solutions for startups and established businesses
- Identify and define design directions, resolve issues, and lead client meetings
- Clients include In-N-Out Burger (via Ghost Agency), ArtStar, BlackBerry (via UDDA Agency), Korean American Story, Gavan-Graham (a Michael Baker company), and more
