FABRICATION

I have over 10 years of experience in the set and furniture fabrication field. I started as a carpenter, but since then I've been a leadman, project manager, CNC operator, technical designer, and production designer

DRAFTING

I primarily work in Vectorworks, but I also have experience with SketchUp, Rhino, AutoCAD, and Unreal. I'm adept in 3D modeling and I'm well versed in CNC and 3D Printing workflows.
